

Disclaimers

In accordance with the SEBI guidelines relating to Stock Market Training Institutes / Coaching Centers, we declare as follows

1. Founder CEO Shri M S Vohra is not registered with SEBI under any category and as such is not authorized to provide any investment advice.
2. We are sharing our proprietary trading strategies developed by us based on our own skills and experience.
3. Past performance if any displayed on the website or shared with the clients during learning sessions or otherwise is not a guarantee for future performance.
4. Ours is a core educational coaching center relating to stock market trading and we do not provide any sort of investment advice or tips for the same. We don't provide any buy / sell calls paid or free. We don't provide any portfolio advice.
5. Our strategies are based on technical setups developed by us and we share these technical setups and make you understand the interpretation of technical indicators. Your success will depend on your proper understanding and use of the technical set ups shared with you.
6. We use only historical data to show the success of our strategies while explaining interpretation of our technical set ups. We don't use any live data for this purpose.
7. To avoid any real-time trading demonstrations, we conduct our teaching sessions only on market holidays i.e Saturdays and Sundays and other market holidays.
