Hello Manjeet,

Hope you are doing well!

Just a gentle reminder about the previous mail I have sent you about the upcoming issue on "**20 Most Promising Capital Market Solution Provider '2018**".

I know you would not like to miss this opportunity as it benefits you in showcasing this recognition to your service buyer, which will influence their decision making to buy your services. This recognition will also help you use in all your Marketing activity and will add more credibility to your services, which will have a thousand fold effect on your business.

Really appreciate if you could let me know your interest to take this forward or please let me know if i need to connect with someone else in your company for the same.

Kindly find below the latest magazine link:

Hi Manjeet,

Greetings from CIO Review India!

Hope you are doing well. I hope this note finds you well. I am Rohit Raghubanshi from CIOReview magazine India, an Enterprise Business magazine that reaches out and helps the topmost enterprise decision makers (CIOs' & IT heads) in their search for procuring and partnering with the right IT vendors for better ROI and smoother workflows within their organizations.

We are coming up with our special edition on Capital Market. As part of this issue, we will present 20 Most Promising Capital Market Solution Provider '2018. Along with the listing it will also cover industry trends, knowledge and advice on cutting edge of Capital Market Solutions for the buyers.

In the last few months our editorial research team has analyzed over 300+ companies providing Capital Market Solutions and shortlisted the companies providing the solutions and services to the industry that are at the forefront of tackling customer challenges. We are glad to let you know that 'Tradingstation' has been shortlisted based on merit to be part of 20 Most Promising Capital Market Solution Provider '2018.

We believe that the inclusion of "Tradingstation" in this roll of honor and an additional one page special profile in the magazine will help company differentiate itself from its competitors. As you know, buyers of product/solutions do look for third party coverage of their potential vendors to verify their reputation and standing within the industry.

We do seek a nominal sponsorship of towards additional benefits mentioned below:

Benefits:

1. Print ready high-res PDF and unlimited reprint rights for 'Tradingstation' profile which can be included in your marketing and public relation collateral materials.
2. The Certificate of Honor will be issued for 'Tradingstation' to recognize this honor, as compliments of CIO Review magazine and you will have rights to include this in all of your publicity and marketing materials.
3. 'Tradingstation' will also get a full page print advertisement in this issue or any other issue of your choice in 2018.
4. Inclusion of company name in listing for 20 Most Promising Capital Market Solution Provider '2018.
5. 2 Hard copies of Magazine.

I believe it would be a great opportunity to be part of the list, along with listing -with one page company profile, which reaches CIO and other IT decision makers from the across India through paid subscription.

Please do let me know if you would be interested in this and I am open to have a discussion with you on the same.

Awaiting your response,

Thanks,
Rohit Raghubanshi
